REMARKS

Claims 131-147 are pending in the application. With this response, the Applicants have canceled claims 131-142 and 145-147, and amended claim 143. No new matter has been added.

In section 10 of the Final Action dated May 16, 2005, the Examiner submits that claims 143-144 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The Applicants have rewritten claim 143 in independent form to incorporate the features of claims 139, 141 and 142. The Applicants also submit that claim 144 does not require rewriting in view of its dependency on claim 143.
